## Trust Company Service---No. 8

### Trusts Under Wills

Where the Trust Company acts as Administrator or Executor of estates of deceased persons, the investment of funds accruing from estates and the care of real and personal property is entrusted to experienced persons and the compensation for services as Administrator or Executor is fixed by law. The Trust Company cannot charge more than an individual could if he were named or appointed. The charges for acting as Executor or Administrator of estates as fixed by law are found in the 1913 Arizona Code of Civil Procedure, Paragraph 994, Page 452, which reads as follows:

For the first \$ 1,000 at the rate of 7%  
For the next 9,000 at the rate of 5%  
For all above 10,000 at the rate of 4%

We advise with you and draw Wills free of charge if we are appointed Executor thereunder. We issue receipt for and file Wills in our vaults. It would be well for those who are contemplating making a Will to first advise with our attorneys in regard to many technicalities that might effect a document of this nature. Purposes that many persons care to aid are oftentimes illegal and the real intention of the maker of a Will may be defeated.

# Betts Plays Dirty Politics to Win Nomination DEMOCRATS

Have you noticed that "Qualified Betts" has ceased to advertise himself and is applying his "qualifications" to traduce and discredit his opponent, P. J. Miller?

Have you noticed that he is using Dunbar's Weekly to scatter his poison? A paper whose regular business is scandal and misrepresentation.

Have you not met some of Betts' paid workers who are circulating these different reports about Miller? That he is wet! That he is dry! That he is a lobbyist! That he is for the Mine Tax! That the railroads own him! That he is opposed to union labor and several other canards of like nature? Do you know Betts is advertising himself in the north as being a **BONAFIDE RESIDENT AND CITIZEN OF YAVAPAI COUNTY!**

Do you know that for months he used the stationery, stamps and office force of the Corporation Commission to advertise himself under the guise of public business, and that S. H. Proctor made a special trip from Winslow to stop that misappropriation of public funds?

**DO YOU KNOW THAT AT THE RECENT BARBECUE AT GLEASON HE SHOUTED HIMSELF HOARSE FOR HUNT, WHILE HERE AT PHOENIX HE WHISPERS TO ALL THAT HE IS FOR OLNEY!**

Betts surely is "Qualified" to become one of the Commission as now constituted, a majority of which are for him.

**THEY DON'T WANT MILLER, THEY FEAR HIM! PUT NEW BLOOD ON THAT ROTTEN COMMISSION!**

## P. J. MILLER of Yuma

The candidate for Corporation Commission who paid no blackmail to "Honest John" and who signs his name to the ads he pays for.

### BAND TODAY GIVES A WELCOME CONCERT

Politics played a share in the usual routine of the Merchant's band last week and with rain still threatening last evening no program was given out, but if the weather clears up the musicians will be out in full force this evening at 8 o'clock for a welcome to the returning ones. A special program was under preparation for today, and in view of the fact that practically all of the school people and other vacationists are again at home, the original plans will be carried out if possible. Two special concerts were given last week at democratic rallies and in addition to attracting a couple of good-sized audiences the treasury fund was replenished somewhat. If the weather permits the band will be out in full force and the usual concert will be given on the plaza this evening.

### SOME MORE RAIN HERE

Rain continued to fall throughout the early part of Friday night and for the

24 hours ending yesterday morning at 8 o'clock the gauge maintained by J. H. Cummings and as official as they make them, for Cummings is a regular observer for the state weather bureau, registered 3.34 inches. It was the heaviest rainstorm while it lasted, that has struck Tempe in years, but fortunately little damage was done locally. Intermittent showers continued through the day yesterday.

J. C. GOODWIN of Tempe, democratic candidate for Representative—Adv.

### "BEN BLAIR"

Dustin Farnum as Ben Blair, the strong-hearted plainsman in the Pallas picture, "Ben Blair," coming to the Airdome tonight, is given a role that wins the respect and sympathies of all those who enjoy a stirring western story well told. In this production Dustin Farnum has an exceptionally suitable part to display his robust talents. The screen adaptation is from the well known book, "Ben Blair," written by the late Will Lillibridge. Winifred Kingston plays the principal feminine role. It is the part of Florence Winthrop, who after a girlhood in the west, deserts it for the gaieties of society in the east.

O. F. RUSSELL, Candidate Constable, Tempe. Adv.

### FINGERS CUT OFF

Manuel Sabaz, employed in the kitchen at the Normal dining hall, suffered the loss of four fingers of his left hand yesterday afternoon when he got them too close to a meat grinder that he was operating. Dr. B. B. Moen was called and the injured members were dressed.

EN ROUTE TO U. OF A.  
William Bloys, 1914 graduate of the Normal, and for the last two terms employed as a teacher in the northern part of the state, came down day before yesterday from St. Johns. He recently took the examination for the University of Arizona scholarship and was successful in handling the honor. Details for the opening of the schools are complete, however, and the regular assemblies of all of the schools will be held as usual tomorrow morning at 8 o'clock.

Methodist Episcopal church, Wilbur Pick, pastor. Sunday school will be held at 10 o'clock today. E. O. Whitcomb, superintendent. The increased attendance last Sabbath over the previous Sabbath was very gratifying and the workers are expecting to see still greater gains as the season advances. The evening service will be held at 7:30 and the subject to be considered is "The Second Coming of Christ."

### Chandler News Notes

AMUSEMENT HALL RESOLUTIONS  
The meeting of the W. C. T. U. on Thursday afternoon was an important one on account of several items of business presented to the session. One item in particular was the reading of a set of resolutions concerning the proposed amusement hall for Chandler, young people. The following resolutions were accepted and ordered placed on the records of the W. C. T. U.

Resolved, That we, the W. C. T. U. of Chandler, Arizona, do proceed, to the best of our ability, with the help of our Heavenly Father, to build, equip, and maintain in an orderly

manner, a club house for our young people of Chandler.

Be it further Resolved, That we, collectively and individually, proceed to interest and explain to all we may think liable to help us in any manner, so long as it is in keeping with our obligations as W. C. T. U. workers.

Be it further Resolved, That all moneys as they are collected for this purpose from whatever source, shall be placed in the bank of Chandler by the club house committee, to be known as the W. C. T. U. Club House fund, to draw interest until such a time as we decide to build, furnish or equip all parts of our club house.

Be it further Resolved, That these resolutions be written in full in our minute book and kept for future reference.

Respectfully submitted,  
MRS. T. J. CROWL,  
MRS. V. T. EDWARDS,  
Club House Committee.

3. Having a family of 5 children to educate his interests are centered in Tempe and its schools.

### PHOENIX BOASTS TOO SOON

For all that Phoenix thinks that their city had the biggest storm with the greatest rainfall in the state, Chandler lays claim to this distinction. According to the United States government gauge, 2.50 inches is the record that Chandler has to mark the storm of Friday. Rain fell in torrents, the streets were turned into lakes and Chandler residents realized that they were witnessing the worst storm that has ever come to Chandler. While Chandler is strongly prohibition it certainly was wet on Friday.

### DEATH OF MOTHER

On Thursday evening death came suddenly to Mrs. R. G. Russell of Hayden, the cause being Bright's disease. She was 56 years of age and was a former resident of Chandler. Mrs. D. W. Coffman was a daughter of the deceased. The body was brought to Mesa on Friday and interred in the Mesa cemetery.

### A HAPPY DRUGGIST

Dr. K. M. Gilbert reports a fine boy baby weighing 8 1/2 pounds, born on Saturday morning, September 9, to Mr. and Mrs. H. C. Gardner.

### TO THE VOTERS OF TEMPE AND SCOTTSDALE PRECINCT

At the 1914 election I concluded to offer myself as a candidate for the office of Justice of the Peace, when Mr. Austin came to me and earnestly requested me not to do so and in consideration for my compliance with his request he promised me when the 1916 election came if I wanted to be a candidate for the office he would vote for me as he had served two terms in said office and in consideration of the above I think I am entitled to the nomination at the election so far as he is concerned.
